Hi Nick

All we need from you is your file, your poster specifications, and your University Charge Code (Project codes must include a task code). You can either email it all to this address, or bring it down to us in person, and we'll get it sorted for you. We ask for 1 working day to get it printed, however it is usually quicker than this.

We can print onto Matt, Glossy or Laminated Papers, or onto Fabric. The costs for the Matt & Glossy paper options are £30.00 for A0 and £15.00 for A1. The cost for the laminated option is £35.00 for A0 and £20.00 for A1. The costs for the fabric option are £45.00 for A0 and £25.00 for A1.

Thanks

Nick

Nick Ogden

** Please note: I am in the office Monday - Thursday. I will try to deal with any messages received on Friday as soon as possible.**

The PhotoGraphics Unit is located on the first floor of the Stopford Building (No 79 on campus map). From the main reception area, climb the stairs ahead of you to the first floor, and then head down the corridor, towards the back of the building. We are at the end of the last corridor on the right. Please think about the environment before taking the lift.
